

MEDITATION

Transformation and creation of reality

„Unconditionally All“

Beloved Mankind!

The Divine Trigger is anchored in all 14 attributes in the Earth's magnetic field! The number of 144 000 has been achieved by the end of 2010 and thus a new level of reality is effective on Gaia TERRA X^x

Now let us proceed to the next phase of this process of „anchoring the enlightening attributes“ within you.

The point is that you once again deliberately do a meditation to deal with each attribute. You need to get once again into it and to remove within yourself the remaining smaller or even larger obstacles, which some of the attributes still may trigger within yourself.

It is a meditation of the transformation of your entire being, which is guided by the purple flame and the white divine light.

Accepting UNCONDITIONALLY ALL is one aspect of the mediation and the second one is to create REALITY.

*„So we ask you to connect together to be at
the anticipated hour in one spirit.*

*In the spirit of love, acceptance,
mercy - in the spirit of the respective
attribute of time“*

The conscious connection of many human beings in a pure and divine intention creates reality and the more human beings - at the same time - go to their heart and bring forth the enlightening qualities and appeal to them, the more clearly these impacts will be visible on the planet and not just in the individuals themselves.

So I ask you to once again get deeply involved in the respective attribute - for an hour at the following times:

I.	TOLERANCE	JAN	14th 2011	8–9 pm
II.	ACCEPTANCE	JAN	28th 2011	8–9 pm
III.	RIGHTEOUSNESS	FEB	11th 2011	8–9 pm
IV.	JUSTICE	FEB	25th 2011	8–9 pm
V.	PEACE	MAR	11th 2011	8–9 pm
VI.	UNITY	MAR	25th 2011	8–9 pm
VII.	FELICITY	APR	8th 2011	8–9 pm
VIII.	HAPPINESS	APR	22nd 2011	8–9 pm
IX.	COMPASSION	MAY	6th 2011	8–9 pm
X.	MERCY	MAY	20th 2011	8–9 pm
XI.	GENTLENESS	JUN	3rd 2011	8–9 pm
XII.	CARE	JUN	17th 2011	8–9 pm
XIII.	TRANSFORMATION	JUL	1st 2011	8–9 pm
XIV.	LOVE	JUL	15th 2011	8–9 pm

The attributes of time are anchored in many human beings, however once again realignment within yourself is necessary, as there are still some residual mechanisms acting within many of you restricting somewhat the full development of a respective quality.

So move into the unconditionality and you will inherit the kingdom of heaven.

We create the new Earth and we create a new reality, as we are totally cleared within ourselves. And as we fully accept what needs to be accepted and tolerate in its entirety what tolerance requires, and as we are absolutely unconditional in all what the attributes of this time demand from us.

*„We will change the Earth,
no one else will do it for us.“*

Please do the following:

1. Establish a quiet place for this meditation.
It is YOUR hour of complete transformation.
2. Read the attribute of time once again.
It is not necessary to read the entire divine trigger.
3. Ask for the complete transformation of all your unresolved matters in respect to the given attribute.
4. Master ST. GERMAIN, Archangel MICHAEL and Archangel RAPHAEL are with you and heal you completely.
5. Reserve for it one hour time.

By connecting together we create a force field and it has an effect. So some events, which are due now and the Earth and all human beings are about to face, will be therefore either eased or they will not materialize at all.

This meditation of transformation and creation of reality begins on January 14th 2011 and is subsequently continued every 14 days at the given hour (8–9 pm) until the 14 attributes of the divine trigger can take effect within us completely.

Because only an unconditional heart is able to serve in this time as a ground on which everything new will be growing - unconditionally in all.

And in the 14th attribute of time, the Love, this collective turn towards the light of the Masters and Archangels will find its fulfillment, because then we will be ready for it: to love unconditionally.

We have no enemies anymore, the war in us is extinguished, we are at peace with ourselves and with the world.

It needs our unconditionality in all matters, as only then we are fully awakened.

And this renewed activation of the divine light creates this reality.

In infinite love to you, beloved human beings.
